🧳 Work Experience

Technical Support Engineer

📅 Nov 2022 - Present

Data analyst

📅 Dec 2020 - Mar 2021

I learned to work on data and analysis skills. Both SQL and Python.

Web Developer

📅 Dec 2019 - May 2020

I trained at Tera CIT for six months.

This experience is very rich for me, I have learned and worked on developing both front-end and back-end development. I benefited from learning more about work environments, integrating code, and working with a motivated team.
